RICCIONE - ITALY

WELCOME

Riccione is not a holiday like others. Riccione is an immersive wellness experience that embraces you from the moment you arrive, with the kindness of the people who welcome you, with the smiles of the beach attendants, with the warmth of simple gestures like the one of the hands that offer you a stuffed piadina.

It is allowing yourself to be involved from the very best of Romagna and enjoy it every day, knowing that you will go back different from how you arrived.

Happier, more relaxed, richer. We are born and grown up in Riccione and we know how to offer you its best in few hours or in many days, with a meal for two where you will fall in love with the beauty of the Adriatic coast or with a long family holiday in the house by the sea that you have always dreamed of.

Heart, passion and a great group.

Have a good summer with us!
Rita, Vincenzo Leardini Group
